RE: LOS ANIMALES

Dear Mr. Leduc:

The videotape we received as the deposit for copyright registration displays "only for viewing" running throughout the work. The deposit required for registering a published motion picture is one copy of the "best edition" as published. We assume that the best edition of this work does not contain a display of this nature. Therefore, please send us a new copy (tape or film) without this statement on the footage.

Please see the enclosed MOTION PICTURE DEPOSIT LEAFLET for information concerning the "best edition" standards. Be sure that the new copy is in a format that represents the best edition of this work.

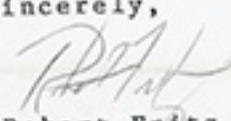

On the other hand, if the work has not been published, according to the enclosed Leaflet, complete a new application which does not contain a publication date at space 3 and return it to us. If the work has not been published, the copy we now have will be acceptable for registration purposes.

If you would like to discuss this before making your written response, please feel free to call me at 202.707.0050 during regular business hours.

Please reply within 120 days (see Cir. 7c) and return the enclosed copy referring to our CONTROL NUMBER 80-416-461. (L).
