# "LOS ANIMALES"

MEXICO IS WELL KNOWN FOR HAVING A STRONG CULTURAL TRADITION.

IT IS MAINLY THROUGH MEXICAN MUSIC AND MEXICAN PICTORIAL AND GRAPHIC TRADITION, THAT THIS COUNTRY HAS EARNED A PLACE IN THE HISTORY OF ART.

IT IS LESS KNOWN, HOWEVER, THAT MEXICO HAS OTHER STRONG ROOTS AND STILL ALIVE TRADITIONS : CHILDREN GAMES AND SONGS, FOR INSTANCE.

"LOS ANIMALES" IS A COLLECTION OF 20 TRADITIONAL MEXICAN CHILDREN SONGS, RECREATED BY 3 WELL KNOWN MEXICAN MODERN SINGERS , BRIGHTLY COMBINED WITH WITTY 3-D COMPUTER ANIMATION IMAGERY.

CONCEIVED BY PAUL LEDUC ("FRIDA", "LATINO BAR", "INSURGENT MEXICO") AND INSPIRED BY THE WORK OF MANY WELL KNOWN AND UNKNOWN ARTISTS THAT HAVE DEDICATED ALL OR PART OF THEIR GRAPHICAL WORK TO CHILDREN, "LOS ANIMALES" WILL TAKE YOU AND YOUR CHILDREN INTO A DELIGHTFUL JOURNEY OF FANTASY , IMAGINATION AND BOTH VISUAL AND MUSICAL PLEASURE .
