Dear Ms. Navarro:

Thank you for your letter regarding your interest in Jane Fonda for the female lead in UNDER THE VOLCANO, by Malcolm Lowry. It is my understanding that the script is to be written and directed by Paul Le Duc and has no firm start date.

Ms. Fonda is interested in playing the female lead subject to her other commitments, as well as her usual approvals and to reaching an acceptable financial position for compensation and participation.

Good luck with the project and please keep me informed as to your progress.

Sincerely,

Paula Weinstein
