# FRIDA

Dirección **PAUL LEDUC**

*Spanish with English Subtitles*

*Based on the life of Frida Kahlo, the flamboyant artist and wife of muralist Diego Rivera, the film opens as Frida lays on her deathbed, lapsing into and out of consciousness. The dream-like narrative reveals through a series of flashbacks the life history of one of the 20th century greatest female painters, a stirring public figure, a political activist and bold individualist - in many ways, a woman far ahead of her time.*

*Ofelia Medina / Frida, Max Kerlow / Trotsky, Zluta Kerlow / Trotsky's wife
