Dear Paul,
Thank you for your letter. Every-
thing okay with your delaying
the project. The important thing
is that we have a good project
together, and the book is yours.
Ole Roos is in Venezuela now on
holiday, he must have been in
contact with you, no? His film is
marvelous and will open up in Paris
in October. My own novel is opening
Fund, I hope, I am nearly at the
end. All my best for Ladino Bar,
and I hope we can settle things
concerning Lagon Santa when you are
cutting Ladino in Barcelona.

Saludos y abrazo, also from
Susanne, your friend
