Dear Paul,

Thanks for your letter, * I have changed my plans. I will not be in Mexico before late april, ~~may~~ ^{or} may 88. I hope to stay in your ~~country~~ country some 3 weeks, maybe a month, to go on research on Fray Jacobo Daciano. Its a story that fascinates me, like Lagoa Santa. Here a reprint of French and English reviews, from a book on my books and films.

Please write me. Looking forward to see you. To talk, to drink with you, making plans, dreaming of projects. maybe a film together? Lagoa Santa?

Best,

Henrik
