

Dear Paul,

A Brazilian producer has suddenly shown interest in dois Casos Santa, with Per Johus as the scriptwriter. Per Johus is just now in Denmark. Can I tell them to go ahead, notwithstanding your Spanish producer is no longer interested? Per Johus have some marvelous ideas on how to make the film in three days - combined with a certain inspiration from Orina-vães Rosa. Tell me if it is okay with you.

I hope for a success for your Cahino Bar, and I am looking forward to see it. Do you have a video VHS PAL or your Friday? I'll buy it, if you can make one.

All the best
your friend
Henrik
