

FRIDA KAHLO

A BIBLIOGRAPHY AND BIOGRAPHICAL
INTRODUCTION BY RUPERT GARCIA

For Paul & I
my wife ^{and I} enjoyed your
Frida film very much.
We were deeply moved!

FRIDA KAHLO
A BIBLIOGRAPHY

Please accept this
slim volume on Frida
with the same spirit
with which I accepted
your film - art and
society are not separate
but rather integrally
related in a complex
fashion. It is this complexity
that we, perhaps, were both
moved _{by} to work in Frida's art.

Her life and work
speak to these
complexities in a very
direct and aesthetic
way.

muchas gracias,
Muriel
