Re: Paul Leduc Rosenzweig

I am writing on behalf of BAFTA to support the nomination of Paul Leduc Rosenzweig as a recipient of this year's national award for the arts.

Paul Leduc Rosenzweig is one of the important Mexican filmmakers and a key artist in the history of Latin American cinema. I hope that you can honour his credentials and contribution to the arts by presenting him with the award.

Kind Regards,

Rosa Bosch

Managing Director, B&W Films
Elected Member of the Film Committee, BAFTA
