HONORABLE COUNCIL  
IN CHARGE OF  
THE NATIONAL PRIZE FOR SCIENCES AND FINE ARTS 2012  
MEXICO

Venice, May 30<sup>th</sup> 2012

It is with great pleasure that we welcome the proposition of the Mexican Institute of Cinematography (IMCINE) that Paul Leduc be named candidate for the National Prize of Sciences and Fine Arts, in the field of Fine Arts.

During his entire career, Paul Leduc has demonstrated an undeniable talent as well as a great coherence of language and content, turning cinema into an instrument for thought and support of social changes.

His work is already a part of Mexican and world-wide cultural heritage.

Therefore, with this letter we would like to express our agreement in proposing filmmaker Paul Leduc Rosensweig for the National Arts Prize 2012 in the field of Fine Arts.

Cordially yours,

Alberto Barbera  
Director
