Querido Paul,

It will all depend from your cast. If you have at least a couple of names who are internationally well-known, Lucky Red (Andrea Occhipinti) or even BIM (Valerio De Paolis) may become interested. (Also, BIM has now become part of the Wild Bunch conglomerate, therefore if you plan to convince Vincent Maraval in Paris to take care of the world-sales, he would then put pressure on Valerio).

I would say that Amedeo Pagni is not your first option. When he raises money from the Italian Ministry of Culture for the Argentinian films that he is regularly co-producing, he can do so because of the existence of a bi-lateral co-production treaty (which is not existing between Italy and Mexico). In most other cases, Amedeo can only contribute the money he will squeeze from distributors - Luce in particular.

The newly founded Cinecittà Luce Group has announced policy lines which will include a special focus on Latin American cinema. I meet regularly with the CEO/CFO of the group, therefore I could ask him if they could be interested. But I would need some more infos about the cast.

Please rest assured that I will do everything to help.

Un forte abbraccio,

marco

Querido Marco,

I'm taking the liberty of writing you, based on the generosity you've had on my work and, though we met very rarely - a few times trough many years - what I would like to proudly call our friendship.

I need some advice and I'm sure you're the one that could give it to me.

Dear Paul,

If your ideal female lead is Tilda, then I think I have the Italian producer for your VOLCANO.

Tilda's best friend in Italy is the director/producer Luca Guadagnino (she played in three of his films). He is desperate to produce English-language films which could cast Tilda as the lead.

I will call him right away.

Please text/call Luca tomorrow on his cell phone nos:

+393404994938

+39331689580.

Francesco Melzi d'Eril from Mikado, who has been Luca's business partner, may also wish to join the project if Tilda's participation will be locked.

Warmest,

marco

Querido Marco,

Thanks for your immediate answer and your kindness.

Since our script does not any longer implies the story of a british consul, it gives us
the liberty of choice regarding nationalities and even ages.

So the first choice goes in the direction of Adrien Brody and Tilda Swinton.
