Para Yo

Dear Paul,
thank You for informations,
Yes if I know with beginning of Deember if You accept our invition I will be happy.

We have prints of BARROCO and DOLLAR MAMBO, and I think there is also a print of LATINO BAR in Viena FRIDA I want to screen also REED and eventually ETNOCIDIO and COBRADOR.
What we can use for the screenings is 35mm, 16mm and DCP, if You have digi beta we will transform to DCP and we need english subtitels and could be good You send us autorization for RIDA, I think its enough.

Abrazos
Helmut
